

## **The Ultimate Operator Instruction Experience**

Custom curriculum tailored uniquely to the needs of each individual. This is the best way to learn how to fight with your carbine, pistol or combining both weapon systems. You will receive one on one instruction insuring you will adapt and excel with all of our techniques. You will progress and be mentored at a pace based on your own abilities. Learn how to operate your weapon system in the safest and most combat effective manner possible for protecting yourself and others. We will instill behaviors/techniques that support, not hinder, your training and your effectiveness to deal with the stress of a fight, gun or otherwise.

**Course Objective:** The student will achieve or reaffirm a high level of confidence in the safe handling and effective operation of their pistol or carbine with a substantial improvement in accuracy and speed of target engagement.

**Enabling Objectives:** Depends on the training you want but at a minimum.

- Combat-Tactical firearms safety
- Proper Combat Safe loading, unloading, and the proper clearing procedures
- The must-haves of Combat pistol and carbine combat marksmanship

- Reloading and malfunction drills
- The draw and proper presentation to the target
- Multiple shots and multiple targets

**Ammo requirements:** Dependent on the level of effectiveness you want to achieve (We can also provide it for you).

**Prerequisite:** None (I will teach you everything you need to know).

**Training schedule:** Depends on the training you want and intensity you want.

**Individual equipment (Student Furnished or provided):**

- Pistol, Carbine, or both with a minimum of 2 magazines each
- Belt with holster and magazine pouches
